

Polar Plunge Extraordinaire 2024

Have you avoided the Polar Plunge every New Year thinking it is cold? Au contraire! Just watch the masterfully crafted video of the event by Valerie Vavrik. You will be transformed by the warmth of the day. You may even be moved to join us next year for at least the brunch on the beach and fabulous prizes, if not an invigorating plunge.

Seriously, get a cup of tea and sit down for 16 minutes to watch the moving movie, linked below. It captures not only the day, but the togetherness and joy that is evident in every moment. The music is fantastic and the smiles on faces of everyone shows that being there was the very best place you could be to start a new year. I wish we could give Val a Golden Globe for her talent and long hours put into this video. Maybe we can make up a Frozen Globe! What she would surely appreciate most is your enthusiastic comments on the Angle Lake Manor Facebook Page where you can also view the full video. If you live in the Manor, please join the Angle Lake Facebook Page so we can keep you up on current events and you can applaud Val's video. <https://www.facebook.com/groups/anglelakemanor/>

For those not in the Manor Club you can view all the day's photos and this video on the ALM website. <https://www.anglelakemanor.com/gallery.htm> Or another option is this link to the YouTube version. <https://youtu.be/5FoFxXym0OE?si=NrEDwpzp5HuKCAa5>.

The 2024 Freezin' for a Reason Polar Plunge was the biggest and best in these thirteen years of our efforts to entice our neighbors to celebrate the new year with camaraderie. The Angle Lake Shore Club joined our efforts a few years back as a sponsor and added the great idea of collecting food and money for a local food bank. This year we collected \$177 dollars and a whole SUV full of food for the Friends of Tye to support our local high school kids.

Over the years the ALM queen has cajoled local businesses to support us by donating food to our brunch on the beach or prizes to raffle off to those who attend. Extra raffle tickets are earned by dressing in costume, helping set up and donating to our reason for freezin'. This year businesses donated \$1747 in food and prizes.

Donation Station and Sherry Yapp's brilliant costume, a mobile Angle Lake Chick Shack!

Those who attended drank Starbucks coffee, cocoa and munched on Azteca party platters and pastry from The Grand Central Bakery and Trader Joes. This year everyone got to take home loaves of bread!

Many people went home with prizes from the raffle. There was a shake up in the winner of best costume prize. Sherry Yapp, ever deserving, usually wins. But this year the winner was a joyous Wonder Woman whose multilayer costume went all the way down to a patriotic swim suit (see her swimsuit photo on the last page). But who is she? I did not get her name! Does anyone know her?

34 polar bears plunged + 3 more plunged after it was over.

A record breaking 101 people, Including firefighters, came to brunch on the beach and watch or plunge!

The air temperature was 45 degrees. The water temperature at a meter deep was 43 degrees. So warm!

A surprise announcement by Jayne Wissel surely got more people to the dock. She kicked up our fund raising campaign for dock repairs by pledging \$10 for each plunger making it to the dock. It was hard to count how many did so she capped it off at a generous \$200! We will need to raise almost \$8000 this year so hopefully this inspires you to donate to our fund.

The bouquet by Blessings Bouquet was the prize for the best costume. It's a bit hard to see in this picture because of the three Adorable blossoms in front!

To top off the wonderfulness of the day, Laura Rankin of Blessings Bouquet (blessingsbouquet@gmail.com 206-949-5607) offered an amazing deal, a flower subscription for 5 bouquets for only \$100 June through September. To be prearranged and picked up at her home studio. Call her and sign up soon!

A huge shout out of gratitude to all the volunteers who made this day work so well. There were too many to name, but they had the most fun, I am sure. And they got to take home all the leftover treats! Thank You all! There is no COMMUNITY without U!

We ask that you visit these businesses and mention our appreciation for their support:
