ALM e-mail Addresses

Please provide Marianne with your e-mail address, if it is new or has been changed so we can send you important news and reminders. This e-mail list will not be sold & will only be used for ALM business.

SeaTac Police Officers to address ALM neighborhood crime and safety at Next ALM Meeting, June 1st.

If you read the last meeting minutes distributed through email, you learned there has been significant crime and break-ins in the 3300 and 3400 blocks of S. 194th St.

If you did not get an emailed copy of the minutes, please send your name and email address to tanirae@gmail.com so you can be added to the email notification list. This email will only be used for official ALM communications and emergencies.

Also included in the minutes was a detailed report written by a reformed, former burglar for the benefit of the

Manor. The advice for protecting your home was made from the perspective of 'one who knows' and the detail is impressive. If you wish to have a copy of this report, come to the June 1st meeting or email tanirae@gmail.com.

Chief Mulligan has agreed to send officers to our June 1st meeting to discuss our safety and security. The Chief is planning on attending as well, if possible.

Please come to the meeting and share your concerns and learn what we can do as a community to keep our families and our homes safe and secure.

Save a stamp,
bring your \$35
dues!

Upcoming ALM Meeting June 1 at 7 PM

Lake Weed Watchers

Posted: 20 May 2017 11:25 PM PDT

The King County Noxious Weed Control Program is extending an invitation to all Angle Lake Residents to attend a free training program to help prevent the spread of noxious weeds in our lake.

2017 Lake Weed Watcher Training
Monday, June 19, 2017 (6:30 pm – 8:30 am)
The Lodge at Beaver Lake
25201 SE 24th St Sammamish, WA 98075

The Lake Weed Watcher Program trains volunteers to survey for aquatic weeds in small lakes in King County, Washington. Volunteers are trained to identify both native and non-native aquatic plants. The goal of the project is to watch for populations of invasive weeds that are not currently known to occur in King County or that have a very limited distribution, but have the potential to spread and cause damage. Detecting these weeds early allows us to stop them before they get too entrenched to remove.

Attend the Free Training to learn:

- How to identify aquatic weeds and native plants
- How to do a lake survey and submit data
- How fun it is to be a Lake Weed Watcher!

Volunteers need to provide:

- A small boat (e.g. canoe) and a place to launch it (if you don't live on a lake you use the public boat ramp at Angle Lake)
- Personal flotation device (PFD) and any other required water safety equipment
- Ability to attend this one training session
- Approximately one field day in early July and one field day in late August or early September

The majority of the session will be in the “classroom” however will also include time at the waterfront at the end of the training for more plant ID and equipment use training.

If interested attending, please RSVP to Ben Peterson, King County Noxious Weeds Control Specialist by sending email to ben.peterson@kingcounty.gov or phoning (206) 477-4724. The training is open to returning and new volunteers. Also, feel free to relay this invitation to anyone interested in helping keep lakes healthy.”

Don't miss out on the Upcoming Fun:

☆ July 4th Kiddie Parade

☆ Aug 1 National Night Out Potluck

Independence Day activities begin with a fun neighborhood street parade followed by the run around the lake competition. The afternoon will include swimming and boating races and our dock / beach decoration contest.

Details will be posted on the Angle Lake Shore Club Blog nearer to the date at <http://anglelakesc.blogspot.com>.

The Kiddie Parade kicks off the day of celebration.

☆ 9:30 AM gather in front of 3303 194th St. to decorate yourselves, your bikes and your dogs with free decor provided by the ALM.

☆ 10:00 AM all are welcome to march around the loop to the beach lot.

☆ Afterwards all are welcome to gather at the beach lot for complimentary ice cream and patriotic songs by Fran Reid's talented students.

Have I Paid my 2017 dues?

You may ask, yourself.

Ask no more! Our, always on the ball, Marquise of Treasury has supplied you with this handy list by last name.

At first glance this is an impressive list and the Queen is well pleased with all who appear on this list. However, it represents barely over half of the Manor. Which means, of course, that half the homes have not yet paid. With summer comes increased beach lot maintenance and expense which means we need the Royal Coffer to be full up.

If your name is here, you have paid. If your name is not here your dues are due, (or we missed noting your payment.)

Either way, please use the attached envelope to pay \$35 or drop a note with your form and date of payment into 3303 S. 194th St mailbox, which is secure.

This is the last envelope drop for the year. The next dues collection notice will need to be done in person by the Queen's henchmen. Save yourself, please, and pay by the end of July.

Seriously, at the August meeting we plan to go over the budget and discuss if we need to raise dues. They have been at this low \$35 rate for several years (which is do-able, if all 125 homes pay.)

If we can't collect full dues this year, we may have to raise dues next year. Here is why: This year we will incur these added expenses:

- ~ The Electric company has begun charging us for power.
- ~ We are reseeding and thus will water the grass regularly.
- ~ We need sand delivered to bring back beach washed away by rains.
- ~ Our Royal Groundskeepers, who charged generously low fees to maintain the beach, retired. The cost of regular maintenance will now be higher.

Well Deserved Recognition and Appreciation Due

Terry and Lonnie caught in rare moment of relaxation.

Three cheers for Royal Groundskeepers, Terry Baccus and Lonnie and his amazing children who suffered long these many years they cared for the beach lot for the enjoyment of us all.

This old Queen, pictured here with forced smile, has just now gained new appreciation for their devotion and hard work. One day of mowing and she lost her crown, found her frown and drug home to her castle too pooped to partay!

We are accepting bids through May 31st (and /or volunteers) for continued maintenance this year. Doesn't this look fun? (for the young.)

Meanwhile, if you see Terry, Lonnie or his kids, hoist them up high, parade them down the street and shout, "hurrah and thank you."
